

optional< glm::vec3 >

The diagram shows a class with three horizontal compartments. The top compartment contains the text 'optional< glm::vec3 >'. The middle and bottom compartments are empty. A blue line with an open diamond at the bottom connects this top compartment to the top compartment of a second class below it. To the right of the line, the text '+offset' is written in gray.

+offset

modeller::Link::FixedLink

The diagram shows a second class with three horizontal compartments. The top compartment contains the text 'modeller::Link::FixedLink'. The middle and bottom compartments are empty and shaded gray. This class is connected to the first class by a blue line with an open diamond at the bottom of the first class's top compartment.
